## **THINGS YOU SHOULD KNOW:**

### **LATE PAYMENT PENALTY**

Full payment is due upon confirmation of scheduling. Do not wait to pay. All fee adjustments will be billed or credited at the end of your season. ***1.0% late fee per month will be charged on all balances 30 days past due (\$25.00 minimum late fee per month).*** See page 5.

### **JAMBOREE AND TRYOUTS**

Jamboree and tryout dates must be clearly outlined in your game schedule. These are not considered simply practices and maintenance staff needs to be alerted.

### **LIGHT FAILURE**

When you have a problem with scheduled field lights, call the number below:  
For Marymoor Park - 206-225-8936 (cell phone)  
For All King County Fields except Marymoor - 206-214-7548 (cell phone)  
Lights come on 10 minutes before your scheduled use. [Please do not call us before that time.](#)

### **RAINOUTS**

When maintenance has rained out a field, **stay off the entire field**. Do not assume it is ok to practice because the field has dried out. The field may not be in safe condition.

### **SUPPLEMENTAL MAINTENANCE**

Sign up for a Supplemental Maintenance Agreement. Once trained your group will be allowed to rake, line, and move bases. Training cards will be issued to those that attend a mandatory training session. All others are **not** allowed to do any manual labor on County fields.

### **INFIELD SOIL**

Do not add any foreign materials to the infield mix such as bark, sand, dirt, kitty litter, diamond dry, etc. This causes major maintenance problems that cost the County thousands of dollars each year.

### **DESIGNATED PARKING AREAS**

Only County vehicles are allowed on Parks property other than in designated parking areas. Do not remove bollards and drive onto park property to unload or park. You will need to carry all items from the parking area to the fields. Bring a wagon or cart for heavy items. Do not block roadways. Your vehicle may be cited by police or towed.

## **ALCOHOLIC BEVERAGES**

D: The Permittee shall comply with all applicable anti-discrimination and affirmative action ordinances, laws and statutes, including but not limited to King County Ordinance 5983, 4258, and R.C.W. Chapter 49.60.

# **FIELD USE RULES AND GUIDELINES**

*We welcome your use of the County's park facilities and appreciate your cooperation in making our parks a safe, positive environment for all users.*

## **FIELD CLOSURE INFORMATION – RAINOUTS**

Field closures may result from inclement weather, poor playing conditions or field damage which may cause hazardous safety considerations for the public or excessive repair work to bring the field back to a playable condition. It is the organization's responsibility to obtain field closure and rainout information by calling the rainout message line which will be updated by field staff.

**See the list of Field Rainout Phone Numbers and times field information will be updated on page 15**

**IMPORTANT:** If the field has been rained out by Park's staff, **STAY OFF THE FIELD!** You are not allowed to try to prep the field to get it into playing condition even if the field has dried out since the rainout was posted. Any foreign materials such as bark, sand, dirt, kitty litter, diamond dry, etc are strictly prohibited.

## **LITTER CONTROL**

[Leagues will be held responsible for excessive litter left after games and practices.](#) We recommend that the home team be made responsible for cleaning up the area before they leave. Maintenance will monitor and report abuses of this policy and a clean-up fee will be imposed when excessive maintenance time is needed to clean the area.

**Clean-up fee: \$65.00 per hour**

Repeat offenses may result in revocation of field use privileges.
